Waterville

2 Seton Center Dr.
Waterville, ME 04901

Woodfords' Special Purpose Private School Program offers out of district educational programming to students in grades K-5 who experience considerable challenges in the mainstream school setting. The program utilizes Applied Behavioral Analysis (ABA) alongside an array of academic, social, and emotional curricula to deliver individualized services, these curricula include:

- Saxon Math Program
- Fountas & Pinnell – Level Literacy Intervention
- Lucy Calkins – Units of Study for Teaching Reading
- Handwriting Without Tears
- Social Thinking
- Zones of Regulation
- Safer Smarter Kids

In addition to providing individualized clinical and educational support, Woodfords' K-5 Special Purpose Private School Program aims to work closely with students and their families to set goals for instruction and ensure consistency between the home and school settings. Referrals for the K-5 Special Purpose Private School Program are made by student's sending school districts at the guidance of the student's school-based treatment team as outlined in their Individualized Education Plan (IEP).
